

AQUACAP

Pharma & Beverages Closures

About Us

AQUACAP is proudly a leading Egyptian company in the packaging industry.

Established in 1998, AQUACAP started its journey by locally trading plastic closures. Since then, AQUACAP has developed its services to manufacture plastic closures, aluminum closures, and metal lug caps and export these products all over the globe.

Currently, AQUACAP has three different premises to manufacture all of its products. AQUACAP now provides the medical, food, cosmetics, and detergent industries with top tier closures.

Aspiring to ensure the satisfaction of all of our clients, AQUACAP provides its worldwide customers with highly functional, attractive, and reliable closures that enables them to build their unique brands, protect the integrity of their products, and guarantee the safety of their consumers.
